Dear Mr Klement,

Subject: Property visit 868 Stone River Road Trebonne

This is to confirm that on Tuesday 7/6/2011, in the company of Rick Dunn, Senior Inspector Biosecurity Queensland and Katherine Fryer, Veterinary Officer Biosecurity Queensland I attended your property at 868 Stone River Road Trebonne in response to a complaint from a member of the public about the welfare of animals on that property.

During the course of the visit we examined all of the animals on the property including dogs, poultry, cattle and a pig.

I advise that on the day of our visit, no animal welfare concerns were noted.

Yours sincerely
